**Continuing Education Workshop**

## Purpose:

We have all experienced a global pandemic and, in many circumstances, community members have lost friends, family, familiar patterns and comfortable foundations. How have these unanticipated life changes affected older adults and, specifically, those with marginalized identities? What do the changes of the last few years mean for a population that historically has higher rates of health disparities, financial inequities and a long history of discrimination?

Through multiple methods, including learning terminology, exploring challenges and joys and hearing from the lived experiences of Q+ older adults, let's explore co-creating connective, welcoming and inclusive services for LGBTQ+ older adults and their families.

## Questions:

Questions can be directed to **Kelsey Haus** at [khaus@info4seniors.org](mailto:khaus@info4seniors.org) or 937-341-3020.

## Presenters:

**Richelle Frabotta, MEd, CSE-S**, has been a professional sexuality education teacher, trainer, mentor and author for over 30 years. Frabotta serves as the LGBTQ+ Health Initiatives Project Manager at Public Health - Dayton & Montgomery County and works diligently to increase resources, access and equity among LGBTQ+ older adults and other populations.

**Rainbow Elder Care** is a local organization that provides advocacy, educational resources, support and referral services to the elder LGBTQ+ community and straight allies.
