Continuing Education Workshop**

## Purpose:

When thinking about Medicare, there can be so much information that it feels overwhelming. This presentation will provide those in the aging industry with the knowledge needed to help any **Medicare-eligible individual understand what options and resources are available to them.**

Join the **Ohio Senior Health Insurance Information Program** and **Senior Medicare Patrol** to dig into extra help programs, Medicare Savings Programs, Medicare fraud, abuse and scams. After this workshop, attendees will be able to not only understand the programs themselves but also know where to direct individuals for additional resources.

**This workshop takes place on Zoom. The presenter requests participants keep their cameras on during the presentation to ensure optimum engagement. A link and any handouts will be emailed the day before the workshop. Attendance is required for CEU credit.**

## Presenters:

**Nikki Klingel** works as a Low-Income Outreach Specialist for the Ohio Senior Health Insurance Information Program (OSHIIP), providing free, unbiased Medicare information and counseling services.

**Lisa Dalga** is an Outreach Specialist from the Ohio Senior Medicare Patrol, housed inside Pro Seniors. Lisa provides counseling to beneficiaries whose medical identity has been compromised, fallen victim to a scam or suspected Medicare fraud or abuse, and provides outreach and education.

## Continuing Education:

- 3.0 clock hours for social workers, **#RSX089101.**
- The Ohio Board of Nursing accepts events approved for counselors and social workers for continuing nursing education.

All registrants who require CEUs are required to sign in. Late arrival or leaving early results in time modification of CEU certificate.

## Objectives:

Participants will be able to:

- Understand what **Extra Help Programs** exist, who is eligible and how to apply.
- Understand the **Medicare Savings Programs**, who is eligible and how to apply.
- Be able to understand, detect and identify **Medicare fraud and abuse.**
- Understand the **impact of Medicare fraud, abuse and scams** on the individuals and where to direct people to get help.
