Continuing Education Workshop**

Purpose:

This presentation will educate professionals serving older adults about the unique experiences, challenges, and service needs of LGBTQ+ elders while highlighting resources available through Rainbow Elder Care of Greater Dayton and Have A Gay Day. Participants will examine barriers that LGBTQ+ older adults may encounter when accessing health care, long-term care, housing, and community services, learn about available community supports, and explore practical approaches for connecting individuals with appropriate resources and assistance.

Presenters:

John Cummings is the president of the board of directors for Rainbow Elder Care of Greater Dayton, an organization he co-founded with his late husband, Jerry, in 2013 to support LGBTQ+ older adults through advocacy, education, resources, and community connection. He holds degrees from Cleveland State University and Bowling Green State University and retired in 2026 after a more than 40-year career in radio news and marketing communications.

Michael Knote is the founder and Executive Director of Have A Gay Day, Inc., a Dayton-based LGBTQ+ nonprofit that provides food assistance, community programming, referrals, practical support, and connections for LGBTQ+ individuals and allies. With more than a decade of experience in LGBTQ+ community leadership, advocacy, volunteer engagement, and direct service, he has built partnerships and programs that strengthen support throughout the region.
