from AT&T

The digital world is full of possibilities. AT&T is making it easier to connect to friends, family, and the things which matter most.

AT&T is offering **low-cost wireline home Internet service** to qualifying households:

- with at least 1 resident who participates in the U.S. Supplemental Nutrition Assistance Program (SNAP), and
- with an address in AT&T's **21-state** serving area, at which we offer **wireline home Internet*** service

To qualify, customers can not have outstanding debt for AT&T fixed Internet service within the last 6 months, or outstanding debt incurred under this program.*

Service availability and speed may vary by address.

AT&T will assign you the fastest of these speed tiers available* where you live:

10 megabits per second, for \$10 per month

5 megabits per second, for \$10 per month

3 megabits per second, for \$5 per month

+ tax

**Internet speed claims represent maximum network service capability speeds. Actual customer speeds may vary and are not guaranteed. Actual speeds vary based on factors including site traffic, content provider server capacity, internal network management factors, device capabilities. For more information, go to att.com/speed101. If none of the above speeds are technically available at your address, unfortunately you won't be able to participate in the Access program from AT&T at this time. However, other AT&T Internet services may be available.*
