

Benefits of the Program

Increase consumption of fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs, and honey through farmers' markets and roadside stands.

Support your local economy by purchasing from farmers and growers!

Eating a diet rich in fruits and vegetables as part of an overall healthy diet can help protect against a number of serious and costly chronic diseases, including heart disease, type 2 diabetes, some cancers, and obesity.

Senior Farmers' Market Nutrition Program

Eligibility & Enrollment

You are eligible for the Ohio Senior Farmers' Market Nutrition Program if you are 60 or older and meet income guidelines.

Applications are available through your local area agency on aging.

Participants receive **\$50.00 worth of coupons** for the growing season.

How the Program Works

VISIT – Use your coupons at participating farmers' markets and roadside stands. Look for the Senior Farmers' Market Nutrition Program (SFMNP) poster when shopping.

SHOP – Select produce equal to the amount of your coupons. If you buy less than the amount of your coupon, farmers cannot give you change back. If you buy more than your coupon, farmers may accept cash or SNAP to cover the amount over the coupon value. Use your coupons by the expiration date.
