

Area Agency on Aging, PSA 2022 Community Needs Assessment Survey

The 2022 Community Needs Assessment Survey was created and distributed from **mid-October** through **November 30, 2021**. Distribution channels included promotion on the Agency's website, the Fall issue of the *Focus* e-newsletter, press releases to regional media, and emails to all Agency listservs including staff, providers, regional senior centers and other industry contacts.

There were a total of **305 survey respondents** which was an increase of 67% from the 2018 Community Needs Assessment Survey (183 respondents).

The survey was created both in paper and virtual formats. Respondents had the option of completing the survey using an online Survey Monkey link or requesting a paper survey mailed to their home. The majority of surveys (284) were submitted online with 21 print surveys completed and returned to the Agency.

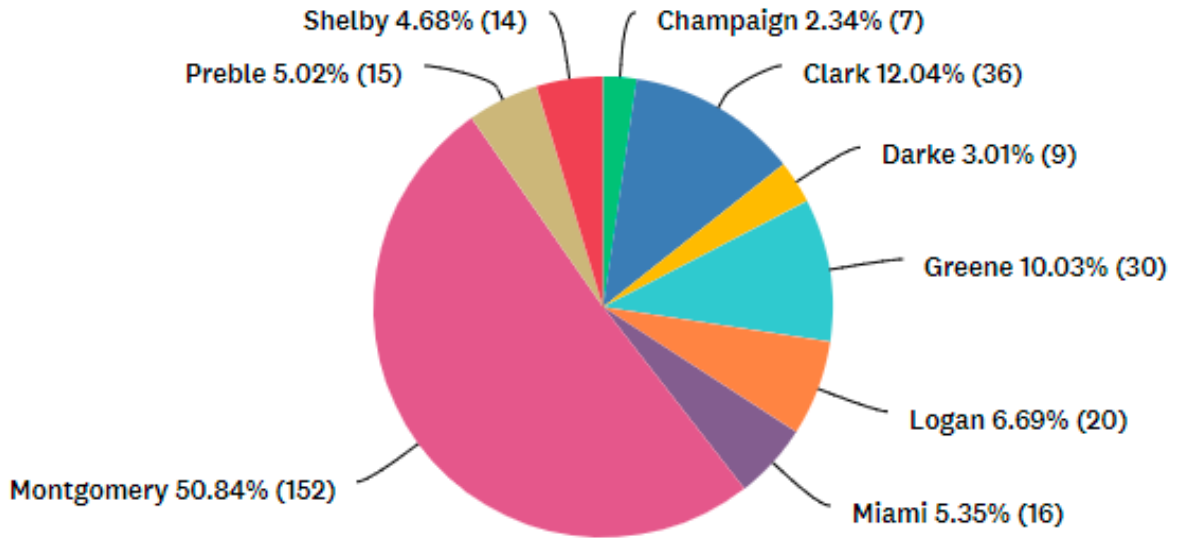

Following are findings from the **2022 Community Needs Assessment Survey**.
