

## THE #OHIOSTRONGPCATRAINING PROGRAM

This program is aimed at helping people, impacted by the coronavirus pandemic, to gain training to become certified Personal Care Aides to work with older adults, or others needing assistance with the activities of daily living, to remain in their homes.

**\*This training is specifically for applicants that are not already qualified to work in home care, in order to address the workforce shortage.\***

### Overview of the program:

1. Each applicant must fill out the program application and send it to Sarah McKibbin via email or fax. ([Smckibbin@info4seniors.org](mailto:Smckibbin@info4seniors.org), Fax: 937-341-3005 Attn: Sarah McKibbin)
2. Please send a copy of your ID with the application.
3. The application will be reviewed at the Area Agency on Aging, and then, if approved, we will contact you to set up Certified Nurse Aide (CNA) training at a local training company. **You will have ONE week to get registered there.**
4. The student will take training, then complete clinical demonstration, gaining Certified Nurse Aide (CNA) certification. **STNA testing is not required and not paid for by this program.**

### Program Costs:

1. There is no cost to apply to this program.

***Applicants may have costs associated with class attendance, i.e.- background check, scrubs, physical and/or TB testing. Schools require a background check, uniform, physical and TB test.***

***COVID vaccinations are required at all the clinical sites and are required to attend the trainings. Religious and official medical exemptions permitted.***

### Training:

The program is currently working with three training vendors. The student can choose the training option that will work best for their life. We will alert the training source, upon training approval, and then we rely on you to work with them to get you registered. The training company will bill the Area Agency on Aging for the training cost. Training is on-going, with different dates each month. ***Class attendance is mandatory. If you miss more than 10% of the class time (7.5 hours) you will fail the course. If you fail the course you will have to pay to retake the course.***

NOTE: All are state-approved CNA training courses and include the minimum of 75 hours of instruction -- 59 hours of classroom instruction and 16 hours of hands-on training ("clinical").

Classes are offered at the following schools. If your application is approved you will be provided with current class date/time offerings.

- **Ohio Medical Career College** (daytime and evening classes; in-person classes, in-person clinical) –**COVID-19 vaccination is required at attend OMCC.**
